## ►► Institution

Karunya Institute of Technology and Sciences, was founded with the noble vision to raise professionals and leaders of high academic calibre and unblemished character, nurtured with a strong motivation and commitment to serve humanity. The Institution is the fulfillment of the vision of its founders Late **Dr. D. G. S. Dhinakaran** and the present Chancellor **Dr. Paul Dhinakaran**. Established in 1986 as an Engineering College, it was granted an autonomous status in 1999 and declared Deemed-to-be University by the University Grants Commission (UGC) in recognition of its academic excellence by the Ministry of Human Resources Development under section 3 of the UGC Act, 1956 vide notification no 9-3-2000-U3 dated 23.6.2004 of the Government of India.

Accredited by NAAC, the institution offers a wide array of Bachelors, Masters and Doctoral Degree programmes in various branches of Engineering, Biotechnology, Food processing and Agricultural Sciences. From a

humble beginning of 180 students, the institution has rapidly grown to 8491 students and 452 faculty representing 18 academic departments.

In the three decades of service to higher education, Karunya Institute of Technology and Sciences has made significant progression in teaching, learning, research and consultancy, innovation and transfer of technology, community service and value education. Translating the vision of the Founders into action, the institution is currently engaged in finding solutions to human problems in the four major areas such as Water, Food, Healthcare, and Energy through scientific and technological interventions.

### About the Webinar

Enabling learning from Home, KITS is organizing a 3-day International Webinar titled "Innovations in Online Teaching, Learning and Evaluation" (IOTLE 2021) starting from 05 August 2021 for the improvement and amelioration of students, teachers, teacher educators, administrators and researchers. The webinar anticipates to wrap various themes related to Innovative Educational Technology (IET) and Information and Communication Technology (ICT) in education. The webinar will comprehend topics related to creation and dissemination of e-contents, Content-Pedagogy-Technology integration, use of ICT in teaching-learning and evaluation, use of various ICT tools, creation of AR/VR contents, Challenges and prospects of online education and Blended learning. KITS invites the learners to join us in the Webinar which will be held online. This series of interactive sessions will expectantly be a stepping stone in the heightening of knowledge and skill of those working in the field of education.
